Work Experience

Digital Agency impulse.guru

Main career track: July 2017 – July 2025 (8 years)

Group Lead → Head of SEO → Head of Production → COO

Chief Operating Officer (COO)

July 2023 – July 2025

Owned end-to-end operations: budgeting, plan vs. actual control, delivery, and client service. Reported to the board, participated in strategy sessions, and supported annual planning. Managed a cross-functional team of up to 40 people and a portfolio of 60+ projects.

- Grew revenue 5x in 2 years
- Increased margin from 44% to 53% through cost optimization and better workload balancing
- Rebuilt and scaled the team 3x
- Increased NPS/CSI from 60% to 70% and reduced hiring cost by ~60% through the launch of an internal trainee school

Head of SEO → Head of Production

July 2018 – June 2023

Scaled the agency's delivery/production function, covering resource planning, project allocation, deadline management, department budgeting, and cross-team coordination. Owned end-to-end delivery of client projects from kickoff to quality control and final handover. Worked directly with the Founder.

- Built production function from scratch to a team of 20
- Increased share of tasks delivered on time to 90%+ through status tracking and transparent control
- Automated operational workflows: CRM, task templates, and process algorithms
- Implemented project profitability tracking down to net profit

Group Lead

July 2017 – June 2018

Managed SEO team, led key projects, and built working standards, quality control, and cross-team coordination.

Project Role: Fractional COO

December 2025 – February 2026 | Lisn App | SaaS EdTech B2C

Built P&L and identified cost structure bottlenecks, systematized the product roadmap, designed the org structure, hiring plan, and operating cadence to prepare the product for scaling.
